Chaplains are some of the Church of the Nazarene's most effective missional leaders. They serve in a variety of settings including health care, correctional facilities, business/industrial communities, and the military. Through their dedicated service, thousands come to know Christ each year, and receive support in times of crisis. We will take a special offering on Sunday, May 26th to support the chaplains in the Church of the Nazarene. Please mark your offering envelope for Chaplains.
